

westbourne transport & bus routes 2012

TRANSPORT ARRANGEMENTS

There are five methods for students to travel to Westbourne Grammar School Truganina Campus (Parents must make their own arrangements for students attending the Williamstown Campus).

1. Buses from the Werribee area (Westrans buses – routes 1 to 7).
2. Buses from all other areas (Sita buses – routes 8 to 21).
3. Private cars.
4. A combination of car and then bus from the pick up areas in 1 and 2.
5. A combination of train and then bus from the pick up areas in 1 and 2.

The School Bus Policy is to pick up students in the morning at a point reasonably close to their home and to return them to that point in the afternoon. For this purpose, all students are allocated to the most convenient route to their home and rolls are made up on this basis. Students who do not wish to travel on the allocated bus route, but who would like to use an alternative route should contact the Transport Officer on 9731 9460. It is not always possible to organise an alternative route.

N.B Point Cook area can be serviced by either bus company. Please contact the Transport Officer for details.

CONVEYANCE ALLOWANCE

The Victorian State Government pay a Conveyance Allowance for students who satisfy certain travel criteria.

The guidelines that determine the eligibility for students whom satisfy this criteria, can be obtained by referring to the Department of Education and Early Childhood Development (DEECD) website via this link:

www.education.vic.gov.au/management/schooloperations/studenttransport.htm

The School has been advised that the guidelines and the criteria to determine eligibility, are currently under review by DEECD. When the School receives any further information/advice regarding changes to the guidelines, families will be advised accordingly.

All students are required to complete a conveyance form, regardless of whether or not they may or may not be entitled to a conveyance allowance. These forms are available from the School and after completion, should be returned for endorsement by the Business Manager.

WESTRANS Bus Routes (1–7)

As at 20/01/2012
