Westbourne Grammar School has developed the following Child Safe Policy. This policy is an overarching document that provides key elements of our approach to protecting children from abuse. It is designed to be communicated through our school portal as well as through other mediums such as weekly communication, our annual report and in induction programs for School Board members, staff, homestay families and volunteers (direct and indirect).

ATTENTION: The following is a Child Safe Policy that meets the guidelines set out in Standard 2 of the Victorian Child Safe Standards.

Westbourne Grammar School Child Safe Policy

Statement of Commitment to Child Safety

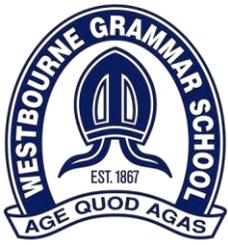

Child abuse includes sexual offences, grooming, physical violence, serious emotional or psychological harm, serious neglect and a child's exposure to family violence. Westbourne Grammar School is committed to the protection of all children from all forms of child abuse and demonstrates this commitment through the implementation of a comprehensive Child Safe Program designed to keep children safe.

At Westbourne Grammar School, we have a zero tolerance for child abuse and are committed to acting in a child's best interest and in keeping them safe from harm. The School regards its child protection responsibilities with the utmost importance and as such, is committed to providing the necessary resources to ensure compliance with all relevant child protection laws and regulations and maintain a child safe culture.

Child Safe Principles

The School's commitment to child safety is based on the following overarching principles that guide the development and regular review of our school practices, policies and procedures to protect children from abuse.

1. All children have the right to be safe.
2. The welfare and best interests of the child are paramount.
3. The views of the child and a child's privacy must be respected.
4. Clear expectations for appropriate behavior with children are established in our Child Safety Code of Conduct.
5. The safety of children is dependent upon the existence of a child safe culture.
6. Child safety awareness is promoted and openly discussed within our school community.
7. Procedures are in place to screen all staff, homestay families and Direct Contact Volunteers including third-party contractors and external providers who have direct contact with children.
8. Child safety and protection is everyone's responsibility.
9. Child protection training is mandatory for all School Board members, staff, homestay families and Direct Contact Volunteers.
10. Procedures for responding to alleged or suspected incidents of child abuse are simple and accessible for all members of the School community.
11. Children from culturally or linguistically diverse backgrounds have the right to special care and support including those who identify as Aboriginal or Torres Strait Islander.

12. Children who have any kind of disability have the right to special care and support.

***Direct Contact Volunteers are those volunteers that are involved in providing support, guidance and supervision directly to students and could potentially have direct contact with students during the normal course of providing the volunteer service.*

The Working with Children Act 2005 (Vic) defines 'direct contact' as any contact between a person and a child (aged under 18 years) that involves:

- physical contact; or
- face to face contact; or
- contact by post or other written communication; or
- contact by telephone or other oral communication; or
- contact by email or other electronic communication.

Examples of Direct Contact Volunteer activities may include volunteers involved in School camps and excursions, coaching sporting teams or assisting in learning activities.

****Homestay families are those families where international students reside and are involved in providing support, guidance and supervision directly to students and could potentially have direct unsupervised contact with students.*

Westbourne Grammar School is committed to the effective implementation of our Child Safe Program and ensuring that it is appropriately reviewed and updated. Our Child Safe Program relates to all aspects of protecting children from abuse and establishes practices, policies and procedures to protect children from abuse. It includes:

- Clear information as to what constitutes child abuse and associated key risk indicators;
- Clear procedures for responding to and reporting allegations of child abuse;
- Strategies to support, encourage and enable staff, homestay families, volunteers (direct and indirect), parents and students to understand, identify, discuss and report child protection matters.
- Procedures for recruiting and screening staff, homestay families and Direct Contact Volunteers;
- Procedures for reporting reportable conduct and/or misconduct;
- Protective behaviour strategies designed to empower students and keep them safe;
- Policies with respect to cultural diversity and students with disabilities;

- A child protection training program;
- Information regarding the steps to take after a disclosure of abuse to protect, support and assist children;
- Guidelines with respect to record keeping and confidentiality;
- Policies to ensure compliance with all relevant laws, regulations and standards (including the Victorian Child Safe Standards); and
- A system for continuous improvement and review.

As part of Westbourne Grammar School's induction process, all Staff, Homestay Families and Direct Contact Volunteers are required to complete a selection of training modules on the content of our Child Safety Program.

All staff, Homestay families and Direct Contact Volunteers (as well as School Board members) are also provided with additional, ongoing child protection training at least annually.

Staff, Homestay families and volunteers (direct and indirect) are supported and supervised by the School's Child Safety Officers to ensure that they are compliant with the School's approach to child protection.
