

OUR *giving* aim

add | improve | maintain

SCIENCE

Creating a flexible and innovative STEM space as part of our Science precinct

We need your help to achieve our aim

A NEW STEM LABORATORY

Flexible learning spaces that maximise opportunities for students to explore the world and how it works.

A collaborative environment that sparks curiosity and engenders a sense of wonder - providing skills and resources to turn wonder into scientific questions to be investigated and problems to be solved.

“ Add Improve Maintain – AIM is a new way of understanding giving at Westbourne.

The idea behind AIM is to capture the fundamental essence of why we ask for your support each year. Annual Giving is designed to help us add to our growing school through the building program.

Additionally, we have been able to maintain the values of the school and support of students who would have otherwise been unable to attend Westbourne through the scholarship program and donations to assist in funding this.

Our AIM is to continue to make Westbourne a great school – together.

Your support:

I (we) would like to support

- Westbourne Building Fund
- Westbourne Scholarship Fund

Select the Tax Deductable donation of your choice:

\$50 \$100 \$250 \$500 \$1000
